DETAILED ACTION

This Office Action is in response to the Request for Reconsideration filed on April 10, 2006.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 15-20 directed to the invention non-elected without traverse. Accordingly, claims 15-20 have been cancelled.

Allowable Subject Matter

Claims 1-14 are allowed.

The following is an examiner's statement of reasons for allowance: in re claim 1, the prior art references, alone or in combination, do not show a complementary field effect transistor comprising: an n-type field effect transistor having a first gate insulating film containing an oxide including an element selected from the group consisting of group IV metals and Lanthanoid metals, and further containing a compound of the

element and boron; and a p-type field effect transistor having a second gate insulating film containing an oxide including an element selected from the group consisting of group IV metals and Lanthanoid metals, and substantially containing no boron. In re claim 8, the prior art references, alone or in combination, do not show a complementary field effect transistor comprising: an n-type field effect transistor having a first gate insulating film containing an oxide including an element selected from the group consisting of group IV metals and Lanthanoid metals, and containing no arsenic; and a p-type field effect transistor having a second gate insulating film containing an oxide including an element selected from the group consisting of group IV metals and Lanthanoid metals, and further containing a compound of the element and arsenic.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
